Legal is looking further into any Vermont legalities that may prevent us from moving forward with the PT portion as proposed.

**Discussion around Proposed Rule Changes**

Evan Meenan was not available to meet

**General Discussion**

Replacing John Federico to make sure we have a quorum.

Is there interest in keeping the committee together and do we feel like there is more work that can be done.

There is interest but is there capacity?

Written test roll-out—grandfathering of the 115th. There are 6-8 that have already been through the process do they have to come back to do the written entrance.

Seems more likely to be available for the 116th. The updated PT standard will be for the 115th.

Future agenda item: Written Entrance Test Vendor

The Council may defer to the Entrance Test Working Group, there may be value in the group meeting with the vendor to assist in the process.

Motion to adjourn Roger Marcoux, second Steve Coote, all in favor.
