## 1. OVERVIEW:

- 1.1. **SCOPE AND BACKGROUND:** The State of Vermont (SOV) understands the importance of the current events in the United States related to issues of systematic and structural racism that are entrenched not only in the nation's history and culture but also in practices and policies. SOV envisions that individuals or companies seeking to establish a contract are inclusive and have sought to create a workforce that understands the causes and effects of racism and other forms of discrimination, oppression, implicit bias, and inclusion. SOV also envisions that these individuals or companies are committed to providing solutions that will initiate meaningful change in how they approach work, colleagues, and Vermont residents and visitors. Through this Request for Proposal (RFP) the Vermont Criminal Justice Council (hereinafter the "State") is seeking to establish contracts with one or more companies that can provide a law enforcement job task analysis (JTA) with the ability to implement the JTA into a long-term curriculum development and accreditation goal with an equity lens.
- 1.2. **CONTRACT PERIOD:** Contracts arising from this RFP will be for a period of 12 months with an option to renew for up to three additional twelve-month periods. The State anticipates the start date for such contract(s) will be June 9, 2023.
- 1.3. **SINGLE POINT OF CONTACT:** All communications concerning this RFP are to be addressed in writing to the State Contact listed on the front page of this RFP. Actual or attempted contact with any other individual from the State concerning this RFP is strictly prohibited and may result in disqualification.

Questions may be e-mailed to the point of contact on the front page of this RFP. Questions or comments not raised in writing on or before the last day of the question period are thereafter waived. At the close of the question period a copy of all questions or comments and the State's responses will be posted on the State's web site <http://www.bgs.state.vt.us/pca/bids/bids.php> . Every effort will be made to post this information as soon as possible after the question period ends, contingent on the number and complexity of the questions.
- 1.5. **CHANGES TO THIS RFP:** Any modifications to this RFP will be made in writing by the State through the issuance of an Addendum to this RFP and posted online at <http://www.bgs.state.vt.us/pca/bids/bids.php> . Modifications from any other source are not to be considered.

Your cover letter must also include a written explanation **for each marked section** explaining why such material should be considered exempt from public disclosure in the event of a public records request, pursuant to 1 V.S.A. § 317(c), including the prospective harm to the competitive position of the bidder if the identified material were to be released. ## ATTACHMENT A – STATEMENT OF WORK

The Contractor shall:                     

**DELETE THESE INSTRUCTIONS** All State contracts must describe the work to be performed in clear, concise and complete statements. Attachment A of the Standard State Contract should be used to detail the work to be performed or products to be delivered by the contractor. A well written description will include the schedule for performance, identification of project deliverables, deliverable milestones, and standards by which the contractor's performance will be measured. This description of the work may also be referred to as the Statement of Work, Specifications of Work, or Subject Matter. Please refer to Appendix II for further guidance. The deliverables and milestones should be used to inform the payment terms in Attachment B. Attaching RFPs and RFP responses to contracts is not permitted. RFP responses can be long and complicated and may include both unnecessary information and introduce internally inconsistent terms within the contract.

The level of required contract compliance monitoring, if applicable, should be based on the assessment of the risk for delay or failure to deliver the services. In assessing the risk, agencies should consider factors such as: amount of funds involved; contract duration; contract complexity; history of the Contractor with State government; amount of subcontracting involved; and other relevant issues. Whether or not liquidated damages, service credits and/or retainage are part of the contract, the document should include a section that describes specifically how the Agency will monitor the contract for compliance.

Types of compliance monitoring processes and steps may include: (i) periodic contractor reports; (ii) invoice reviews; (iii) on-site visits; (iv) scheduled meetings; (v) audits; (vi) independent performance reviews; (vii) surveys of users/clients; and (viii) post-contract audit or review. This section may also describe a process for identification, discussion, and resolution of disputes between the Contractor and the State, both during the contract duration and after expiration.

**NOTE:** Additional guidance for drafting Attachment A is provided in Bulletin 3.5, Appendix II

## ATTACHMENT B – PAYMENT PROVISIONS

The maximum dollar amount payable under this contract is not intended as any form of a guaranteed amount. The Contractor will be paid for products or services actually delivered or performed, as specified in Attachment A, up to the maximum allowable amount specified on page 1 of this contract.

1. Prior to commencement of work and release of any payments, Contractor shall submit to the State:
  - a. a certificate of insurance consistent with the requirements set forth in Attachment C, Section 8 (Insurance), and with any additional requirements for insurance as may be set forth elsewhere in this contract; and
  - b. a current IRS Form W-9 (signed within the last six months).
2. Payment terms are **Net 30** days from the date the State receives an error-free invoice with all necessary and complete supporting documentation.
3. Contractor shall submit detailed invoices itemizing all work performed during the invoice period, including the dates of service, rates of pay, hours of work performed, and any other information and/or documentation appropriate and sufficient to substantiate the amount invoiced for payment by the State. All invoices must include the Contract # for this contract.
4. Contractor shall submit invoices to the State in accordance with the schedule set forth in this Attachment B. Unless a more particular schedule is provided herein, invoices shall be submitted not more frequently than monthly.
5. Invoices shall be submitted to the State at the following address: [REDACTED]
6. The payment schedule for delivered products, or rates for services performed, and any additional reimbursements, are as follows: [REDACTED]

**DELETE THESE INSTRUCTIONS** The above language up through section 5 is standard and should be included in all services contracts. Section 6 is merely a prompt for completion of the particular payment terms necessary to the contract, such as the schedule and/or rates of pay. Sample language is provided below, if helpful, but there is no required format.

*TIME/MATERIALS: If payment will be based upon time and materials, specify the frequency of invoicing and the rate of payment. For example:*

Contractor shall be paid \$50.00 per hour for work performed under this Contract, and shall submit invoices to the State not more frequently than monthly.

*FIXED PRICE/DELIVERABLES: If payments are fixed price, specify an invoice schedule that corresponds to completion of the deliverables or phases of work described in Attachment A. For example:*

Contractor shall submit invoices to the State in accordance with the following schedule:

<u>Deliverable</u>	<u>Invoice Amount</u>
Phase 1 completed by May 1, 2015	\$5,000.00
Phase 2 completed by July 1, 2015	\$5,000.00
Submit Final Report by August 31, 2015	\$8,000.00

**NOTE:** Additional guidance for drafting Attachment B is provided in Bulletin 3.5, Section IX.A.5 and Appendix III
