The Team Two curriculum focuses on collaboration between law enforcement, dispatchers and mobile mental health crisis teams in the field in specific regions in VT. Due to COVID-19, this training will be conducted via the interactive Zoom platform, which works well – small group discussion will be held after viewing video scenarios. Learn the language, limitations and resources of your fellow first responders to mental health crises. Discussion on: Warrants, emergency department issues, screening/assessment difficulties as well as practical tips comprise this scenario- based training. **You will need internet access to attend the training via smartphone, laptop or iPad/tablet. Completion of ACT 80 (Interacting with Persons with a Mental Illness) is a pre-requisite for law enforcement officers.**
